RESPONSE TO COMMUNICATION OF JUNE 9, 2005

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This paper is in response to the communication of June 9, 2005, which states that applicants' reply of March 17, 2005 is not fully responsive because a complete listing of all claims is required with the status of each claim being indicated by an appropriate identifier.

A listing of claims with status identifiers is required by 37 CFR § 1.121(c) when claims are amended. The undersigned knows of no requirement to list the claims along with the status for each claim in a situation where claims are not amended. If the Patent Office maintains that there is such a requirement, the Patent Office is respectfully requested to identify specifically where in the rules there is such requirement.

If an extension of time is required, such extension of time is hereby requested and deposit account 19-0741 may be charged accordingly.

Respectfully submitted,
